SURNAMES & PLACE NAMES YOU ARE RESEARCHING

List surnames and towns that you are researching for inclusion in the online **Gesher Galicia Family Finder**. (You have the option of emailing this information to Ben Tysch if you are joining by PayPal/Credit Card.) You can mail this form, or scan and email to: bentysch@gmail.com

IMPORTANT TO NOTE:

Places that were not in historical Galicia will not be listed. If you are not sure about your towns or regions, check JewishGen's **Jewish Community Database**: <http://www.jewishgen.org/communities/search.asp>. To guarantee accuracy GG will standardize the place names and may make corrections to what you provide. Since many town names in Galicia sound alike, if you know the coordinates (longitude/latitude) and/or historic administrative district of current oblast/powiat in Ukraine or Poland for your town(s) please add that information below to assist us. If you don't yet know the towns, we can still list your research surnames in the Family Finder. Just indicate "town not yet known." If you need assistance with this process contact Renee Steinig at: genmaven@gmail.com.

Place name and modern country: Poland or Ukraine (If you know the Administrative District or coordinates add those)	Surname(s) associated with the place name as given in the left column

☐ Check here if you DO NOT WANT your information published in the Gesher Galicia Family Finder. If you select this option, neither your name, your contact information, nor your research interests will be available to other members of Gesher Galicia. Remember that the Family Finder is not accessible to the public online, but only to GG members who are signed onto our site with a password.

More information on donation levels:

Gesher Galicia is engaged in so much research, donation information can be confusing! Gesher Galicia's All Galicia Database and Map Room are both free search engines. Once we complete indexing records or stitching maps, we upload the results for free access. Specific project donations, however, will get you extra benefits (or early access), including password access to digital images of archival record books or Excel spreadsheets with data for an entire town. For existing town projects, a \$50 minimum donation is required to view record images and Excel files. The more that is donated, the further we can continue our work. For **new GARP** projects we need a starting donation of \$250, but this can come from one person, or several contributors with smaller amounts that add up to \$250. (We can help you with networking among landsleit.) If you are not sure about the status of a town project, check our Inventory or contact Shelley Pollero at: geshergalicia@comcast.net. For GARP specifics read our info page: <http://www.geshergalicia.org/projects/garp/> for all other questions write to: pamela@geshergalicia.org
