SURNAMES & PLACE NAMES YOU ARE RESEARCHING

Renewing members: If nothing has changed, *leave this page blank*. We have your details. To make additions, fill in the information below. For special instructions, add an extra sheet.

List surnames and towns that you are researching for inclusion in the online **Gesher Galicia Family Finder**. (You have the option of emailing this information to Ben Tysch if you are joining by PayPal/Credit Card.) You can mail this form, or scan and email to: bentysch@gmail.com

IMPORTANT TO NOTE: Places that were not in historical Galicia will not be listed. If you are not sure about your towns or regions, check JewishGen's **Jewish Community Database**: <http://www.jewishgen.org/communities/search.asp>. To guarantee accuracy GG will standardize the place names and may make corrections to what you provide. Since many town names in Galicia sound alike, if you know the coordinates (longitude/latitude) and/or historic administrative district of current oblast/powiat in Ukraine or Poland for your town(s) please add that information below to assist us. If you don't yet know the towns, we can still list your research surnames in the Family Finder. Just indicate "town not yet known." **If you need assistance with this process contact Renee Steinig at: genmaven@gmail.com. You can also type a list and add it to this form on a separate page.**

Place name and modern country: Poland or Ukraine (If you know the Administrative District or coordinates add those)	Surname(s) associated with the place name as given in the left column

Check here if you DO NOT WANT your information published in the Gesher Galicia Family Finder. If you select this option, neither your name, your contact information, nor your research interests will be available to other members of Gesher Galicia. Remember that the Family Finder **is not accessible to the public online**, but only to GG members who are signed onto our site with a password.

More information on member benefits, donations and funding town projects:

Gesher Galicia's All Galicia Database and Map Room are both free search engines. All members receive password access to our Members portal with special benefits, however, qualifying, targeted project donations provide access to digital images of archival record books and spreadsheets for your towns.

For existing town projects, a \$50 minimum donation is required to view record images. For **new GARP** projects a starting donation of \$250 is required, which can come from one person, or several contributors working together. The more funding, the more maps, records and indexes we can offer.

If you are not sure about the status of a town project, contact Shelley Pollero at: geshergalicia@comcast.net. or check our online Inventory: <http://www.geshergalicia.org/inventory/cadastral-maps-and-records/>
